

Private Label Compliance Agreement

Dear Client,

It is our desire to assist all of our clients in maintaining compliance with their private labels. While we do provide label printing services, we take no responsibility or liability for the legality of the content of your label.

FDA LABEL COMPLIANCE: IT IS THE SOLE RESPONSIBILITY OF THE PRIVATE LABEL CUSTOMER TO DETERMINE IF THEIR PRIVATE LABEL MEETS FDA LABELING GUIDELINES, INCLUDING, BUT NOT LIMITED TO: POINT SIZE OF TYPE, LABEL FORMAT AND PRODUCT CLAIMS. THE LABEL TEMPLATE SUPPLIED BY NATURAL HEALTH LABS INC. IS FOR THE SOLE PURPOSE OF LABEL SIZE "DIMENSIONS", CONTENTS OF INGREDIENTS LISTED IN THE SUPPLEMENT FACTS PANEL, SUGGESTED USE AND STANDARD PRODUCT SAFETY WARNINGS.

PRODUCT EXPIRATION DATE vs. MANUFACTURE DATE

Natural Health Labs Inc., in accordance with our policy, supplies a Manufacture Date and Lot Number on each label or bottle. Natural Health Labs does not recommend the use of an Expiration Date. Should you request an Expiration Date be applied to your Private Label Order, you acknowledge sole responsibility for any independent accelerated stability testing the FDA may require from you to determine how you justify that proposed expiration date.

We strongly suggest that you consult with appropriate counsel on all FDA/FTC/FCC label regulations, including but not limited to product claims, trademark or copyright infringements, and product expiration validation requirements.

PLEASE CHOOSE YOUR PRODUCT MFG/EXP FORMAT
